Greetings Sorors!

The ladies of Lambda Alpha have kicked off the semester right. We want to share our ideas with our lovely alumnae sorors. This semester, we had great programs lined up that emphasize our 5 Point Thrust such as the Multicultural Organization Fair, Community Service Fair and Stable and Able: How to be Academically Competitive.

On October 16 we hosted our first walk, "Stomp out Obesity" where we raised over \$1,000 for Action for Health Kids.

We welcomed our newest members April 8, 2010. Quiana Thomas, Robyn

Lockett, Sasha Dantzer, Brittany Owens and Zerenity Washington. They all contribute skills, creativity and sisterly love to Lambda Alpha.

Join us for our Delta Week hosted on December 6th-10th, 2010. If you are interested in subscribing to the newsletter or donating gifts please contact Soror Robyn Lockett at lambda_alpha1971@yahoo.com

On behalf of the Lambda Alpha Chapter, we would like to invite you to Skiing with the Deltas on December 10, 2010. The cost is \$40 which includes the lift ticket, lessons and rental gear.

Richard's Place

For AIDS Awareness Week, Lambda Alpha encourages the students at the University of Wisconsin Whitewater to learn first-hand what people with HIV/AIDS have gone through on a daily basis.

Over 30 students come to support the efforts of the chapter every year. The students get the opportunity to meet residence at Richard's Place, Inc. and heard their story.

Richard's Place, Inc. was founded by Corrie Fulwiler in memory of her close friend, Richard, who struggled with HIV/AIDS until his death in 1995. In April 1996 Richard's Place was incorporated as a supportive environment for those facing death.

The purpose of the event is to open the eyes of others and expose them to new experiences in life. Enhancing education on the disease and how it affects our community is the main

goal. For many of the participants this is their first encounter with a person who has the HIV/AIDS virus.

The participants not only learned about the different ways you can contract HIV/AIDS other than sexual encounters, but ways to protect themselves and how to reevaluate what they already knew about the disease.

Stomp Out Obesity

The goal of Stomp Out Obesity is to reach out to college students and promote awareness of childhood obesity.

This gave college students a chance to come together and fight for a common cause while fellowship-

ping together. This was the first year of the event. There was a diverse crowd of people that came out to walk.

As a result, the students helped the sorority collect pledges to provide the Action for Health Kids foun-

dation with funds to continue to give school age kids free breakfast and equipment for physical activity.

The total amount raised was \$1,200.

The Bachelor Pledge-a-Thon

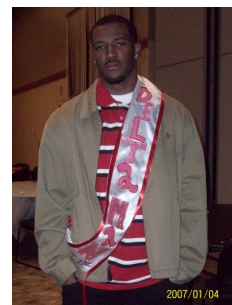

The Lambda Alpha Chapter of the Delta Sigma Theta Sorority is notorious for their Bachelor Pledge-a-Thon event. To go beyond the normal fundraisers and food drives to donate to a cause, the sorority sisterhood has created an event that showcases the talent

of young African American males while making a difference on campus.

The Bachelor Pledge-a-Thon auctions off about 10 guys, some are auctioned as packages. With over 80 people showing their support for the sorority's actions, the event

is always a success with pledges up to \$600.

The auction is usually held in December and money is collected when school returns in January. The "couples" are expected to attend the second part of the event, Lover's and Friends.
